

D-89FNS Key Locking Unilatch Handle

FEATURES

- 300 Series stainless steel release rod with non-conducting slip-on tube
- Heavy duty, wide handle
- Key locking inside safety release on door
- No strike or safety release on jamb
- Reduced installation costs, easy assembly
- Eliminates alignment problems
- Two hole mountings available:
 - Thru-hole mounting w/cap plugs, or
 - tamperproof blind holes
- Unique design reduces snagging of clothing common with conventional latch/strike handles
